

Assumption of Risk, Release, and Indemnity Agreement

Foreign Travel

It is an honor to have you volunteer for missionary service. We want to acquaint you with the philosophy and expectations of Assemblies of God World Missions. We also want to give you the opportunity to fully evaluate the undeniable fact that times of extreme stress and crisis will come that could cause you to question whether or not you would have participated on this mission if you had known all the facts and that unpredictability and unforeseen challenges are inherent in international travel, especially in the midst of the global COVID-19 pandemic. It is impossible to predict, fully prepare you for, or furnish you with all aspects of what you may face. We have, therefore, prepared some basic assumptions that we both must make. Please prayerfully consider the following assumption statement before signing and returning it. Your application cannot be processed without the proper signatures on this form.

- Other Activities not listed above:

IN CONSIDERATION of my acceptance as a volunteer on this missions trip, in cooperation with The General Council of the Assemblies of God, and other considerations, the sufficiency of which is acknowledged, as the above-named, I represent and agree that:

1. Status. I, for myself, and on behalf of my spouse, children, parents, guardians, heirs, and next of kin, in addition to any legal and personal representatives, executors, administrators, successors, and assigns, hereby agree to and make the following contractual representations pursuant to this Agreement:

I hereby represent the following: (a) I am in good health and in proper physical condition to participate in any of the Activities described above; and (b) I am not under the influence of any prescription drugs that would in any way impair my ability to safely participate in the Activities. I agree that it is my sole responsibility to determine whether I am sufficiently fit and healthy to participate in the Activities.

I understand and acknowledge the physical rigors associated with the Activities and realize that they involve prolonged walking in various terrains. I understand that participation involves risks and dangers that include, without limitation, the potential for serious bodily injury, permanent disability, paralysis, and death; accidents in the use of firearms; inaccessibility of medical care; dangers arising from adverse weather conditions; dangerous animals; inadequate safety measures; participants of varying skill levels; situations beyond the immediate control of the travel leader; and other undefined harm or damage that may not be readily foreseeable, and other presently unknown risks and dangers ("Risks"). I understand that these Risks may be caused in whole or in part by my own actions or inactions or the actions or inactions of others participating in the Activities, and I hereby expressly assume all such Risks and responsibility for any damages, liabilities, losses, or expenses that I incur as a result of my participation in the Activities.

I also accept sole responsibility for my own conduct and actions while participating in the Activities and the condition and adequacy of the equipment I will use.

2. Risks of international travel; U.S. State Department and CDC warnings. I am aware of the hazards and risks to my person and property associated with serving in a missions capacity, such hazards and risks including but not being limited to injury; increased stress; accident; disease; inadequate medical services and supplies; death; criminal acts (including terrorism); natural disasters; weather conditions; government action; risks of traveling to or from international destinations; and foreign political, legal, medical, social, and economic conditions. The country or countries to which I will travel may have health and safety standards that differ from those enjoyed in the United States, and I recognize that I may be subjected to potential risks, illnesses, injuries, and even death. I have made my own investigation of these risks, understand these risks, and assume them knowingly and willingly. I further recognize that such risks have always been associated with missionary service (2 Corinthians 11:23-28).

I also acknowledge that in working, living, and traveling in cities abroad, I may experience problems associated with urban living, including increased crime, pollution, high population density, standards of living, and health standards that are different from those to which I am accustomed in the United States. I acknowledge that it is my responsibility to take every precaution to safeguard my health and to protect my personal belongings from damage or theft. I acknowledge that The General Council of the Assemblies of God recommends that I never travel alone, particularly at night. Being alone, especially at night, may present additional danger to my safety and well-being.

I understand and agree that if, during my participation in the Activities, the travel leader learns that I am experiencing serious health problems, have suffered an injury, or am otherwise in a situation that raises significant health and safety concerns, then the travel leader may contact the person whose name I have provided as my emergency contact. I understand that the travel leader ordinarily will not initiate such contact without first having a discussion with me.

I acknowledge and confirm that: (a) the risk of contracting COVID-19 and its effects on different people are unpredictable and vary from country to country and sometimes from region to region within individual countries; (b) it is solely my responsibility to make sure I understand and follow all information on the U.S. Department of State website <<http://travel.state.gov>> about the country or countries to which I am traveling, the recommendations of the U.S. Centers for Disease Control <<http://www.cdc.gov/travel>>, any additional information available from the World Health Organization <<http://www.who.int/>>, U.S. Department of State travel advisories, and other relevant recommendations, restrictions, regulations, guidelines, and other factors and specific conditions applicable in and to the country or countries to which I am traveling; (c) I have independently evaluated the risks involved with my travel and have determined that they are risks with which I am personally comfortable; (d) neither The General Council of the Assemblies of God and its affiliated ministries and any Assemblies of God church and/or district council and any Assemblies of God school, college, or university, and any subsidiaries and affiliates and agents of any of the foregoing (collectively, "The General Council and Affiliated Entities") nor any other person can guarantee, and none of them has represented, that I will not contract COVID-19; (e) I understand the risk of becoming exposed to and infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including but not limited to those of The General Council and Affiliated Entities; and (f) I understand that, after consideration of all the factors referred to above, I have still voluntarily chosen to travel, knowing that even if I take all recommended precautions, I may still contract COVID-19, experience travel disruption, or have other negative consequences to my plans and health.

3. **GENERAL RELEASE, ASSUMPTION OF RISK, AND INDEMNIFICATION.** Knowing the risks described above, I agree, on behalf of my family, heirs, and personal representatives, to assume all the risks and responsibilities surrounding my participation in the above-described Activities, both known and unknown. To the maximum extent allowed by law, I release, hold harmless, and agree to indemnify The General Council and Affiliated Entities (collectively, the "Released Parties") from and against any present or future claims, losses, liabilities, costs, and expenses for injury to person or property, or for any other damage, which I may suffer or for which I may be liable to any other person, related to my participating in said Activities (including periods in transit to or from my destinations), resulting from any cause, including but not limited to negligence on my part or on the part of any of the Released Parties; provided that this release of liability shall not apply to gross negligence or willful or wanton misconduct.
4. **Insurance election.** I am aware of the hazards and risks to myself associated with serving in a missions capacity. I further understand that The General Council of the Assemblies of God currently requires the insurance coverages summarized below, that the cost of the insurance is included with the trip, and that I am responsible for obtaining any additional insurance coverages that I consider necessary.

5. Minor children. In the event that I have minor children who will accompany me on my assignment, I take full responsibility for their supervision and conduct at all times, and I, acting both on my own behalf and on their behalf as their parent and legal guardian, do hereby assume all risks of death, illness, or injury that they may suffer as a result of said assignment, from those causes described above.

6. Ransom policy. I understand and accept the following policy regarding ransom payments:

The World Missions Board has determined that The General Council of the Assemblies of God will not pay ransom or yield to the demands of anyone who takes one of our missionary family or staff hostage. The General Council of the Assemblies of God pledges itself to every effort in prayer and will take all reasonable steps to secure the release of any member held hostage and/or detained. The General Council strongly opposes the payment of any extorted commodities or service and will not pay expenses incurred by captors. The General Council will not permanently concede land or remove missionaries from ministry locations as a part of any negotiated settlement with hostage takers. The General Council believes that this approach helps reduce the risk of General Council personnel being targeted for kidnapping and was made after sufficient study of the policies of other evangelical missionary agencies and after considering the advice of the U. S. Department of State.

7. I expressly waive any defense to the enforcement of any provision of this commitment arising from a claim of lack of consideration and warrant that this commitment constitutes a legal, valid, and binding obligation upon me enforceable against me in accordance with its terms.

8. I expressly agree that this Assumption of Risk, Release, and Indemnity Agreement is intended to be as broad and inclusive as permitted by law. I further state that I HAVE CAREFULLY READ THIS AGREEMENT AND UNDERSTAND ITS CONTENTS, AND I VOLUNTARILY SIGN THIS AGREEMENT AS MY OWN FREE ACT.

I certify that I am aged 18 or older. I understand and agree that no oral or written representations can or will alter the contents of this document. This Agreement shall be governed and construed in accordance with the laws of the State of Missouri, excluding its choice of law rules, and all claims relating to or arising out of this Agreement, including claims for injuries or wrongful death in any way related to the Activities, shall likewise be governed by the laws of the State of Missouri, excluding its choice of law rules.

Invalidation of any one or more of the provisions of the Agreement shall in no way affect any of the other provisions hereof, all of which shall remain in full force and effect.
